*This is an unofficial compilation of the radio services and requests for FCC actions that are subject to fees. The public should consult the Commission's Rules as set out in Title 47 of the Code of Federal Regulations (CFR) for application filing requirements. Further information on fees may be obtained in Part 1, Subpart G of the CFR or in the Commission's official decision implementing the Congressional Schedule of Charges. This decision is published in the FCC Record or may be purchased from the Commission's current copy contractor.*

*The fee amounts contained in this guide are subject to review annually and may result in changes to these amounts. The FCC will issue a notice to reflect any changes.*

## PART A

### IMPORTANT NOTICE OF CHANGE:

The Federal Communications Commission (FCC) is instituting a new system entitled, the Commission Registration System (CORES)®. CORES is how you provide the FCC with basic information about your entity. Each entity doing business with the FCC is required to provide and maintain a current official address that the FCC can use to contact you. The address you provide for your entity contact will be used to mail important FCC-related information.

A 10-digit FCC Registration Number (FRN) will be assigned to an entity registering with the FCC. The entity that you register will have a unique FRN that is used to identify each entity's business dealings with the FCC. The FCC will use the FRN to determine if all of an entity's fees have been paid.

You are encouraged to register through the FCC's Internet CORES web site as soon as you expect to do business with the FCC. This way, you will be ready to access any of the electronic licensing systems without having to go through the registration process at the time you submit an application.

The FCC began accepting Registration Numbers after July 19, 2000, on the newly revised FCC Form 159 (Remittance Advice), dated February 2000, to assure proper credit of fee payments.

The FCC Form 159 (Remittance Advice) has been revised to accept payer and applicant FCC Registration Numbers (FRN). The Commission will continue to accept FCC Form 159 (Remittance Advice), dated July 1997, without an FRN until further notice.

**The use of FRN is voluntary. However, we strongly recommend that you obtain your registration number to process all payments to the Commission.**

To obtain a Registration Number:

- \*Register at <http://www.fcc.gov> and click on the CORES Registration link; or

- \*File FCC Form 160 (CORES Registration), which is included in this package. You may also obtain the form at <http://www.fcc.gov/formpage.html>; by calling the FCC's Forms Distribution Center at 1-800-418-FORM (3676); or you may pick up the form at the Commission in Room TWB200. Mailing instructions are found on the form.

To obtain a revised FCC Form 159:

Go to <http://www.fcc.gov/formpage.html>; call the FCC's Forms Distribution Center at 1-800-418-FORM (3676); or pick up the form at the Commission in Room TWB200.

If you were registered in the Wireless Telecommunications Bureau's Universal Licensing System (ULS) and your TIN Registration included all the information needed to issue a Registration Number, we pre-registered you and mailed you your FRN in a letter in late July 2000. You may check CORES to determine if you were automatically pre-registered at <http://www.fcc.gov> and click on the CORES Registration link.

If you choose not to register electronically for an FRN, you may submit an application manually by filing a CORES Registration Form (FCC Form 160) with your filing and payment. You will receive a confirmation letter from the FCC through the U.S. Postal Service.

Application filings that are non-feeable should be accompanied by CORES Certification Form (FCC Form 162) until individual Bureau forms are revised to accommodate the Registration Number.

### FCC FORM 159 - REMITTANCE ADVICE FORM

The FCC Form 159, Fee Remittance Advice has been revised. The newly revised FCC Form 159 is dated February 2000. This form is a multi-purpose form that must accompany payment to the Federal Communications Commission for Regulatory Fees, Processing Fees, Fines, Forfeitures, Freedom of Information Act (FOIA) billings or any other debt due the FCC. The information on this form is collected and stored in a database to ensure credit of full payment of monies due, to expedite any refunds due, and to service public inquiries. The form must be used when paying for application fees and regulatory fees. When filing electronically, please provide the 10 digit ULS file number in Block 29 FCC Code 2. Please refer to Part B of this guide for specific form

requirements. A copy of this form, with specific instructions, is attached and may be used to submit fees. Reproduced forms are acceptable. FCC Form 159-C is a Remittance Advice Continuation Sheet that must be used when paying for more than two call signs in a single filing or when paying for multiple applicants in a single filing. Each call sign and/or applicant must be listed separately on the FCC Form 159/FCC Form 159-C. Please refer to the relevant Bureau/Office Fee Filing Guide for the service you are requesting.

#### **METHOD OF PAYMENT (DO NOT SEND CASH)**

Payment of fees may be made by check, bank draft, money order, credit card or wire transfer.

If paying by check, bank draft, money order or wire transfer, your remittance must be denominated in U.S. dollars, drawn on a U.S. financial institution and made payable to AFCC@.

Applicants located in foreign countries should contact their local bank to determine what U.S. financial institution their bank is affiliated with that will allow a transfer of funds. Please keep in mind that there may be an additional fee added from the transferring bank for this service. No postdated, altered or third party checks will be accepted. No checks will be accepted for processing if older than six months.

Payment of fees, fines, and other debts may also be made by electronic payment. There are two types of electronic payments available. The first type is designed specifically for larger corporations capable of CPU/CPU communication. Under this method, the payer bank wires funds directly to the Commission's lockbox bank. As with cash payments, the funds must be wired from a U.S. financial institution. The second type is designed for smaller businesses and individuals. Under this method, the lockbox bank is given authority to withdraw funds from the customer's bank account. Authorization can be transmitted by a personal computer or by calling a toll-free number. To obtain more information about electronic payment and how it works, please contact the Revenue and Receivables Operations Group (RROG) at (202) 418-1995.

#### **NON-FEEABLE APPLICATIONS**

All non-feeable applications filed in Washington, D.C. must be filed directly with the Secretary's Office, Room TWB204, 445 12<sup>th</sup> Street, S.W., Washington, D.C. 20554. Please see the Wireless Telecommunications Bureau Fee Filing Guide for instructions concerning filing of non-feeable applications for wireless services.

#### **FEE EXEMPT APPLICATIONS**

Please check the appropriate block on your application, and if you have not previously done so, provide the proper documentation, as required, to certify that your application is fee exempt. 47 CFR, Part 1, Section 1.1114 of the Commission's Rules explains who qualifies as fee exempt.

#### **MANAGING DIRECTOR DECISIONS**

Requests for Fee Waivers, Fee Determinations, Fee Reconsiderations, Fee Deferments, Applications for Fee Review, and Refund Requests associated with the forementioned are referred directly to the Office of Managing Director. Each request is forwarded to the Office of General Counsel for review and legal determination. 47 CFR, Part 1, Sections 1.1113, 1.1114 & 1.1117 govern the Commission's policy in these instances. The requester will receive written notification of the Managing Director's decision. These decisions are published monthly and are placed in FCC Docket 86-285. All such requests must be submitted in writing to: Managing Director, Federal Communications Commission, 445 12<sup>th</sup> Street, S.W., Room 1A625, Washington, D.C. 20554.

#### **WAIVERS, FEE DETERMINATIONS, AND DEFERRALS PROCESS**

The required filing fee must be paid for the service requested using the normal process. All requests for Fee Waivers and Fee Determinations are filed directly with the Managing Director in Washington, D.C. Deferrals of fees are also filed in Washington, D.C. and have a limit of up to six months with good cause.

## REFUND PROCESS

Routine refund requests are handled by the appropriate Bureau/Office. When a Bureau/Office determines that a refund is warranted, it is forwarded to the Office of Managing Director, Revenue and Receivables Operations Group (RROG) for processing. The Revenue and Receivables Operations Group (RROG) handles all approved refund requests. The refund process usually takes four (4) weeks depending upon the complexity of the request. Once a request has been reviewed and processed by RROG, it is forwarded to the U.S. Treasury in San Francisco, California where a check is issued to the payer of the remittance. For further information on return or refund of charges, refer to 47 CFR, Part 1, Section 1.1113 of the Commission's Rules.

## COURIER OR HAND DELIVERY OF APPLICATIONS

Parties hand delivering applications or filings may receive dated receipt copies of the application or filing from the acceptance clerk at the time of delivery. Receipts will be provided for mail-in applications or filings if an extra copy of the application or filing is provided along with a self-addressed, stamped envelope. Only one piece of paper per application will be stamped for receipt purposes. A stamp and receipt copy must be placed on top of the original package and clearly identified as a return copy.

When delivering feeable applications with payment and Remittance Advice (FCC 159) by hand or by courier, use the following address:

Federal Communications Commission  
c/o Mellon Bank  
500 Ross Street Room 670  
Pittsburgh, PA 15262-0001  
Attn: Mellon Client Service Center

This address is for hand delivery only. DO NOT use it for mailing applications. When using this address, enclose the application package in an inner envelope marked with the correct Post Office Box Number. See the relevant Bureau/Office Fee Filing Guide for the correct Post Office Box Number.

## APPLICATION FORMS

Several manufacturers place application forms and applicable information in radio equipment boxes. The forms received in your radio equipment box may be outdated and reflect erroneous information causing delay in the processing of your application. Please note the current acceptable edition date(s) in Part B of this guide. You may obtain application forms from the Commission's Forms Distribution Center, 9300 E. Hampton Dr., Capital Heights, MD 20743, toll free (800) 418-FORM (3676) or from the FCC's Fax-on-Demand system by calling (202) 418-0177 from the handset of your fax machine (request the index to find out the document number first). **Most forms are available for downloading from the FCC's Internet homepage on the World Wide Web at <http://www.fcc.gov/formpage.html>.**

## QUESTIONS

If you have questions regarding your application and/or fee, you may call the FCC's Consumer Center at 1-888-CALLFCC (1-888-225-5322). For information on CORES, call the CORES Helpdesk at 1-877-480-3201.

## AUCTIONED LICENSES

**Initial License Applications.** Auction winners file with the Bureau a "long form" application, FCC Form 601 "FCC WIRELESS TELECOMMUNICATIONS BUREAU APPLICATION FOR RADIO SERVICE AUTHORIZATION" shortly after an auction closes. There is no application fee associated with the initial long form application, or amendments to same.

**Post-grant License Applications.** Once an initial auctioned license has been granted to a winning bidder in an auction, all subsequent post-grant license applications may require a fee as described in this fee guide. Specifically, if there are fees applicable to incumbent licensees in a given radio service, the same fees will apply to auction winners. For specific fee amounts, see the individual sections of this guide addressing the specific radio services.

***Note that there are no application fees for any type of application or request regarding the Personal Communications Service (PCS), the Wireless Communications Service (WCS), Local Multipoint Distribution Service (LMDS), General Wireless Communications Service (GWCS), Location and Monitoring Service, Multilateration (LMS), or 700 MHz (30 MHz and Guard Bands).***

## UNIVERSAL LICENSING SYSTEM/REGISTERING TIN

The Wireless Telecommunications Bureau has been implemented into a Universal Licensing System (ULS) for all wireless services. ULS is an integrated database and automated processing system which will support electronic filing of applications and other filings associated with applications (i.e. amendments, waiver requests, transfers and assignments of licenses, licensee ownership information, etc.), collection of licensing information and public access to such information. The Commission has replaced eleven separate WTB licensing databases with this new integrated licensing system. The radio services were converted to ULS and public notices were issued with specific instructions as each radio service migrated to the new system.

Upon submitting applications electronically via ULS, the applicant receives a confirmation of the fee(s) due (if any) for the application and is instructed to either pay on-line credit card or print FCC Form 159 directly from ULS. The applicant must remit payment as described in this guide within 10 calendar days of submitting the application, or the application will be dismissed.

In order to avoid processing delays and dismissal due to insufficient fees, the Bureau recommends that applicants filing feeable applications via ULS observe the following:

- (1) Use the ULS-generated FCC Form 159;
- (2) Pay the amount specified by ULS;
- (3) Submit fee payment in a timely manner;
- (4) Submit only one instrument of payment (e.g., a check) for each FCC Form 159;
- (5) If paying by credit card, be sure to complete Section E of FCC Form 159; and,
- (6) Mail or deliver FCC Form 159 and payment to the proper address.

See Wireless Telecommunications Bureau Provides Fee Payment Checklist for Applicants Using the Universal Licensing System, *Public Notice*, DA 99-1411 (released July 19, 1999).

**For the most current information regarding the Universal Licensing System (ULS), go to the ULS home page at <http://www.fcc.gov/wtb/uls>.**

## AIRCRAFT RADIO SERVICE (PART 87)

*On October 26, 1996, the FCC released a Report and Order in WT Docket No. 96-82, FCC 96-421, eliminating the individual licensing requirement for all aircraft operating domestically. This means that you do not need a license to operate a two-way VHF radio, radar, or ELT aboard aircraft operating domestically. All other aircraft radio stations must be licensed by the FCC either individually or by fleet. For further explanation visit the Internet @ <http://www.fcc.gov/wtb>.*

## PART C - INFORMATION ABOUT REGULATORY FEES

The Federal Communications Commission, by Congressional mandate, implemented a regulatory fee schedule to recover costs incurred by the Commission relative to policy and rulemaking actions, as well as its enforcement, user information and international activities.

The regulatory fees do not currently apply to Amateur Radio Services (except Vanity call signs), governmental entities, Civil Air Patrol, Commercial Radio Operator Permits and Licenses, Non-commercial Educational Broadcast stations, Special Emergency & Public Safety Radio Services, modifications of existing authorizations unless that modification results in a renewal or reinstatement for which a regulatory fee is required, and non-profit entities. Non-profit entities must provide a current Determination Letter from the Internal Revenue Service when filing documentation for non-profit status under IRS Code Section 501.

These regulatory fees will be assessed annually and will apply to those licensees and entities which benefit from the Commission's regulatory activities, other than licensing or application processing functions. Among the services affected by these fees are the Mass Media Services and Commercial Mobile Radio Services (CMRS). The regulatory fees for Mass Media and Commercial Mobile Radio Services (CMRS) are paid on a predetermined date established by Public Notice (See Public Notices issued August 7, 2001 regarding FY 2001 payments). The regulatory fees for other Wireless Telecommunications Services are paid in advance to cover the term of the license and are submitted along with the application fee at the time the application is filed. See Part B of the Wireless Telecommunications Bureau Fee Filing Guide for additional information on the Wireless Telecommunications Services regulatory fees.

Regulatory fees may be adjusted annually by the Commission pursuant to Section 9 of the Communications Act 47 U.S.C. 159.

### MASS MEDIA REGULATORY FEES

When paying a regulatory fee for the Mass Media Service, the payor must submit FCC Form 159 (FCC Remittance Advice), along with the appropriate fee. FCC Form 159C (FCC Remittance Advice Continuation Sheet), may be used for any additional requests within the same lockbox. You may use a single Form 159 to pay multiple regulatory fees and to pay for more than one service in the Mass Media Service. Instructions for completing both forms are included in this guide. **PLEASE NOTE: The first two numbers in the payment type codes that follow represent the year the user is paying regulatory fees for. These numbers will change for subsequent years.**

Broadcast Auxiliary **B** Payment Type Code: 0169 \$12.00 per call sign

Local Multipoint Distribution **B** Payment Type Code: 0114 \$275.00 per call sign

### COMMERCIAL MOBILE RADIO SERVICE (CMRS) REGULATORY FEES REQUIRING ANNUAL PAYMENT
